I'm running out of ways to make you see  
I want you to stay here beside me  
I won't be okay and I won't pretend I am  
So just tell me today and take my hand

Please take my hand  
Please take my hand  
Please take my hand  
Please take my hand

Just say yes  
Just say there's nothing holding you back  
It's not a test  
Nor a trick of the mind, only love

It's so simple and you know it is, you know it is  
We can't be to and fro like this all our lives  
You're the only way to me, the path is clear  
What do I have to say to you for God's sake, dear?

For God's sake, dear  
For God's sake, dear  
For God's sake, dear  
For God's sake, dear

Just say yes  
Just say there's nothing holding you back  
It's not a test  
Nor a trick of the mind, only love

Just say yes  
'Cause I'm aching and I know you are too  
For the touch  
Of your warm skin as I breathe you in

I can feel your heart beat through my shirt  
This was all I wanted, all I want

It's all I want  
It's all I want  
It's all I want  
It's all I want

Just say yes  
Just say there's nothing holding you back  
It's not a test  
Nor a trick of the mind, only love

Just say yes  
'Cause I'm aching and I know you are too  
For the touch  
Of your warm skin as I breathe you in
