A hand upon my forehead  
A joke and then a laugh  
Waking up in your arms  
A place to call my own

This is all I ever wanted from life  
This is all I ever wanted from life  
This is all I ever wanted from life

Ireland in the World Cup  
Either North or South  
The fan club on the jukebox  
The birds and yes the bees

This is all I ever wanted from life  
This is all I ever wanted from life  
This is all I ever wanted from life

Words of reassurance  
But only if they're true  
Just some simple kindness  
No vengeance from the Gods

This is all I ever wanted from life  
This is all I ever wanted from life  
This is all I ever wanted from life

To share what I've been given  
Some kids eventually  
And be for them what I've had  
A father like my dad

This is all I ever wanted from life  
This is all I ever wanted from life  
This is all I ever wanted from life

This is all I ever wanted from life  
This is all I ever wanted from life  
This is all I ever wanted from life
