In the blinding darkness
of the night it seems simple
all i know is that
i love you here right now.

It's not as if i wanted
to fall so hard for you,
or even understand
these woken feelings.

I love you my own way
I love you better
I love you inside all this
I love you forever

All these words are useless
when i look into your eyes
it's the simple truth of perfect,
little secret.

You're the only thing I'm sure of
and it makes it all so hard
all that other things are
broken out of focus.

I love you my own way
I love you better
I love you inside all this
I love you forever

In the blinding darkness
of the night it seems simple
all i know is that
I love you here right now.

It's not as if i wanted
to fall so hard for you,
or even understand
these woken feelings.

I love you my own way
I love you better

I love you inside all this
I love you forever (x2)
