"Run"

I'll sing it one last time for you
Then we really have to go
You've been the only thing that's right
In all I've done

And I can barely look at you
But every single time I do
I know we'll make it anywhere
Away from here

Light up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dear

Louder, louder
And we'll run for our lives
I can hardly speak, I understand
Why you can't raise your voice to say

To think I might not see those eyes
Makes it so hard not to cry

And as we say our long goodbyes
I nearly do

Light up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dear

Louder, louder
And we'll run for our lives
I can hardly speak, I understand
Why you can't raise your voice to say

Slower, slower
We don't have time for that
All I want is to find an easier way
To get out of our little heads

Have heart, my dear

We're bound to be afraid
Even if it's just for a few days
Making up for all this mess

Light up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dear
