You could be happy  
And I won't know  
But you weren't happy  
The day I watched you go

And all the things  
That I wished I had not said  
Are played on loops  
Till it's madness in my head

Is it too late to remind you  
How we were  
But not our last days of silence  
Screaming, blur

Most of what I remember  
Makes me sure  
I should have stopped you from walking  
Out the door

You could be happy  
I hope you are  
You made me happier  
Than I'd been by far

Somehow everything  
I own smells of you  
And for the tiniest moment  
It's all not true

Do the things  
That you always wanted to  
Without me there to hold you back  
Don't think, just do

More than anything  
I want to see you go  
Take a glorious bite  
Out of the whole world
