One Song
I have but one song
One song
Only for you

One heart
Tenderly beating
Ever entreating
Constant and true

One love
That has possessed me
One love
Thrilling me through

One song
My heart keeps singing
Of one love
Only for you

And away to his castle you'll go
To be happy forever we know

Some day when spring is here
We'll find our love anew
And the birds will sing
And wedding bells will ring
Some day when my dreams come true!
