On winter days I saw you on the rain I cried for you

At dreams I felt lovin' you

At times of isolation at times of bleeding fear

At dreams I felt lovin' you

Lovin' you is an illusion lovin' you

Lovin' you is only dreaming lovin' you to death

At nights I hear your voice at days I feel your spell

At dreams I felt lovin' you

On bleeding hearts I cry again am under your spell

Lovin' you is an illusion lovin' you

Lovin' you is only dreaming lovin' you to death
