Steam, so crystalline  
Wordless, nameless  
It's not nearly enough  
It's clearly not enough  
Augustine revealed the mind of god  
Hume killed him stone dead  
Wordless, nameless  
It's not nearly enough  
It's clearly not enough  
The eternal formless  
It's not nearly enough  
It's clearly not enough  
There are things that can be seen, but cannot be said  
Augustine  
Silence, stillness  
I feel it wash over me, spirit pustule  
Cleanse my blemish  
I feel it wash over me, spirit pustule  
Mend my flesh  
Gandhema  
Nidhema  
I am not worthy to receive you, but only say the word  
and I shall be healed  
And I shall - and I shall be healed.
