I've always been ambitious, I heard everything you said  
You said "Three can keep a secret if two of them are  
dead", are dead  
There's no place for us in heaven cause we spend too  
long in bed  
I used to dream in black and white but now I dream in  
red, in red

As the traffic sweeps along the Westway  
I think at night and sleep all day  
I drink at night and sleep all day  
I think I dreamt I had a drink and then you went away

High tides ebb and flow, we will feed you to the sharks  
Take away your secrets and never leave a mark, a  
mark  
I feel an itching between my horns, I feel a scratching  
in my heart  
We can make you say you like it as we rip your life  
apart, apart

As the traffic sweeps along the Westway  
I think at night and sleep all day  
I drink at night and sleep all day  
I think I dreamt I had a drink and then you went away
