Before I knew it, another day passes and
My footsteps go towards home
With a mind that first started with a bulky heart
Sometimes inside the tired everyday
My breathing freedom drags my tired body and
Follows that road

Yes~! Feel the world full of hope
Yes~! Towards that high future over there
S.E.O.U.L. Call it with me, the beautiful word that makes
my dreams come true
The place where joy overflows where I go~ I love you~
S.E.O.U.L. Shout it with me, the happiness that can
laugh
Wherever~~ The world where everything becomes one

My figure became cut off somewhere
As if I didn't live without regrets
With the mind that first fluttered at the bulky hope
I'm curious about the tomorrow that can't know
Even if there is hard and harsh work, I can endure it to
not be shy

Yes~! Feel the world full of hope
Yes~! Towards that high future over there
S.E.O.U.L. Call it with me, the beautiful world that makes
my dreams come true
The place where joy overflows wherever I go~ I love
you~
S.E.O.U.L. Shout it with me, the happiness that can
laugh
Anywhere~~ We make a world where everything
becomes one
When you start to fear the day and when you get tired
Everyone gathers strength and spreads their dream's
wings

S.E.O.U.L. (Woo~~) Call it with me, the beautiful world
that makes my dreams come true
The place where joy overflows (where it overflows)
wherever I go~ I love you~

S.E.O.U.L. Shout it with me, the happiness that can
laugh
Anywhere~~ We make a world where everything
becomes one
