Don't want to think  
Don't make me care  
I wanna melt in with the group  
I need the balls to leap out of my shell

And let go with my friends  
Can't come up with anything I want to do  
I need a project I can finish  
My brain needs some stimulation

Drug me, drug me  
Drug me, drug me  
I'm so fucking tired  
I gotta stay awake and get to work

I'm runnin' late  
I gotta make it through the day  
And make my time go by  
TV and the stereo and girls are lots of fun

I want the max  
I relate better loaded  
Got to see the movie stoned

Drug me, drug me  
Drug me, drug me  
With natural vitamin C  
Drug me with pharmaceutical speed

Drug me with your sleeping pills  
Drug me with your crossword puzzles  
Drug me with your magazines  
Drug me with your fuck machines

With a fountain of fads  
More rock and roll ads  
Drug me, drug me  
Drug me, me, me

Finally off of work  
Unwind and watch the ball game at the bar  
Another potato chip weekend

Is here at last

Go away, go away  
Go away, go away  
Go away, leave me alone  
So I can't see myself

Drug me, drug me  
Drug me, drug me
