So you been to school for a year or two  
And you know you've seen it all  
In daddy's car thinkin' you'll go far  
Back east your type don't crawl  
Play ethnicky jazz to parade your snazz  
On your five grand stereo  
Braggin that you know how the niggers feel cold  
And the slums got so much soul

It's time to taste what you most fear  
Right Guard will not help you here  
Brace yourself, my dear

It's a holiday in Cambodia  
It's tough kid, but it's life  
It's a holiday in Cambodia  
Don't forget to pack a wife

Your a star-belly sneech you suck like a leech  
You want everyone to act like you  
Kiss ass while you bitch so you can get rich  
But your boss gets richer on you  
Well you'll work harder with a gun in your back  
For a bowl of rice a day  
Slave for soldiers til you starve  
Then your head skewered on a stake  
Now you can go where people are one  
Now you can go where they get things done  
What you need my son:

Is a holiday in Cambodia  
Where people dress in black  
A holiday in Cambodia  
Where you'll kiss ass or crack

Pol Pot, Pol Pot, Pol Pot, Pol Pot [etc.]

And it's a holiday in Cambodia  
Where you'll do what you're told  
A holiday in Cambodia  
Where the slums got so much soul

I Fought the Law (and I Won)  
Drinkin' beer in the hot sun  
I fought the law and I won

I needed sex and I got mine  
I fought the law and I won

The law don't mean shit if you've got the right friends  
That's how the country's run  
Twinkies are the best friend I've ever had  
I fought the law  
And I won

I blew George & Harvey's brains out with my six-gun  
I fought the law and I won

Gonna write my book and make a million  
I fought the law and I won

I'm the new folk hero of the Ku Klux Klan  
My cop friends think that's fine  
You can get away with murder if you've got a badge  
I fought the law  
And I won  
I am the law  
So I won
