You really like gorillas?  
We've got just the pet for you  
It's the way you're forced to act  
To survive our schools

Make your whole life revolve around sports  
Walk tough, don't act too smart  
Be a mean machine  
Then we'll let you get ahead

Jock-o-rama, save my soul  
We're under the thumb of the beef patrol  
The future of america is in their hands  
Watch it roll over niagara falls

Pep rally in the holy temple  
And you're forced to go  
Masturbate en masse  
With the favored religious cult

Cheerleaders yell "ra ra team"  
From the locker room parades the prime beef  
When archaeologists dig this up  
They'll either laugh or cry

Jock-o-rama, on the brain  
Redneck-a-thon drivin' me insane  
The future of america is in their hands  
Watch it roll over niagara falls

Unzip that old time religion  
On the almighty football field  
Beerbellies of all ages  
Come to watch the gladiators bleed

"now boys, this game ain't played for fun  
You're going out there to win  
How d'ya win?  
Get out there  
And snap the other guy's knee!"  
Beat 'em up! beat 'em up!  
Ra ra ra

Snap those spinal cords  
Ha ha ha

The star quarterback lies injured  
Unconscious on the football field  
Looks like his neck's been broken  
Seems to happen somewhere every year

His mom and dad clutch themselves and cry  
Their favorite son will never walk again  
Coach says, "that boy gave a hundred percent  
What spirit  
What a man"

But who cares?  
Games over, let's go get wasted man  
To the 7-11, to the liquor store  
Let's party all night and party some more

Another trans-am  
Wrapped itself around a telephone pole  
"i ain't drunk, officer  
I just fell gettin' out of my car"

Don't worry about it, son  
We were that way when we were young  
You've got all the skills  
To make a damn good businessman

Jock-o-rama that's the law  
Come lick the butts of the beef patrol  
If the future of america is handed to them  
Watch it roll over niagara falls
