Efficiency and progress is ours once more
Look what we get a satellite bomb
It's nice and quick and clean
And gets things done sure got the shuttle

Away with excess enemy
But no less value to property
No sense in war, perfect sense at home

The sun beams down on a brand new day
No more welfare tax to pay
Unsightly slums gone up in flashing light

Jobless millions whisked away
At last we have more room to play
Systems go to kill the poor tonight

Gonna kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

Behold the sparkle of champagne
The crime rate's gone feel free again
Life's a dream with you, Miss Lily White

Jane Fonda on the screen today
Convinced the liberals, it's okay
So let's get dressed and dance away the night

While they, kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

[Incomprehensible]
Remind us thirty times
Twenty-nine, twenty-eight, twenty-seven
Six, five, four, three, two, one, go, go, go

Behold the sparkle of champagne
The crime rate's gone feel free again
Life's a dream with you, Miss Lily White

Jane Fonda on the screen today
Convinced the liberals, it's okay
So let's get dressed and dance away the night

Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor
Kill kill kill, kill kill the poor, tonight

[Incomprehensible]
Something happened up there
