The landlord's here to visit  
They're blasting disco down below  
Says, "I'm doubling up the rent  
'Cos the building's condemned  
You're gonna help me buy City Hall"

But we can, you know we can  
But we can, you know we can  
Let's lynch the landlord man

I tell 'em, ?Turn on the water?  
I tell 'em, ?Turn on the heat?  
Tells me, ?All you ever do is complain?, yeah  
Then they search the place when I'm not here

But we can, you know we can  
But we can, you know we can  
Let's lynch the landlord  
Let's lynch the landlord  
Let's lynch the landlord man

There's rats chewing up the kitchen  
Roaches up to my knees  
Turn the oven on, it smells like Dachau, yeah  
'Til the rain pours through the ceiling

But we can, you know we can  
But we can, you know we can  
Let's lynch the landlord  
Let's lynch the landlord  
Let's lynch the landlord man

The landlord man
