{Alright we gonna prove we are adults now  
We are a punk rock band who are a new wave band}

I'm tired of self-respect, I can't afford a car  
I wanna be a prefab', superstar  
I wanna be a tool, don't need no soul  
Wanna make big money, playing Rock 'n' Roll

I'll make my music boring, I'll play my music slow  
I ain't no artist, I'm a business man, no ideas of my own  
I won't offend, or rock the boat  
Just sex and drugs, and Rock 'n' Roll

And here we go with drool, drool, drool  
My payola  
Drool, drool, drool  
My payola

You'll pay ten bucks to see me, on a fifteen foot high  
stage  
Fat ass bouncers kick the shit, out of kids who try to  
dance  
If my friends say, I've lost my guts  
I'll laugh and say, that's Rock 'n' Roll

{But there's just one problem}

Is my cock big enough, is my brain small enough?  
For you to make me a star, give me a toot  
I'll sell you my soul, pull my strings and I'll go far  
Give me a toot, I'll sell you my soul  
Pull my strings and I'll go far

And when I'm rich, and meet Bob Hope  
We'll shoot some golf, and shoot some dope  
Is my cock big enough, is my brain small enough?  
For you to make me a star, give me a toot  
I'll sell you my soul, pull my strings and I'll go far  
Guitar

{Everybody put your hands together}

Is my cock big enough, is my brain small enough?  
For you to make me a star  
{Everybody sing at one time}  
Is my cock big enough, is my brain small enough?  
For you to make me a star  
{Shut up and dance everybody}

Is my cock big enough, is my brain small enough?  
For you to make me a star, give me a toot  
I'll sell you my soul, pull my strings and I'll go far  
{One more time}

Give me a toot, I'll sell you my soul  
Pull my strings and I'll go far  
And drool, drool, drool, drool, drool, drool  
My payola  
Drool, drool, drool, drool, drool, drool  
My payola

{Thank you very much Ladies and Gentlemen  
We sure did love you, we'll see you the next time we  
had such a good time playing gettin' out  
Rock 'n' Roll}
