Yeah, one, two, Princes kneel before you  
That's what I said now  
Princes, Princes who adore you  
Just go ahead now

One has diamonds in his pockets  
And that's some bread now  
This one said he wants to buy you rockets  
Ain't in his head now

This one, he got a princely racket  
That's what I said now  
Got some big seal upon his jacket  
Ain't in his head now

You marry him, your father will condone you  
How 'bout that now  
You marry me, your father will disown you  
He'll eat his hat now

Marry him or marry me  
I'm the one that love you baby, can't you see?  
I ain't got no future or a family tree  
But I know what a prince and lover ought to be  
I know what a prince and lover ought to be

Said, if you want to call me baby  
Just go ahead now  
And if you'd like to tell me maybe  
Just go ahead now

And if you wanna buy me flowers  
Just go ahead now  
And if you'd like to talk for hours  
Just go ahead now

Said, one, two, Princes kneel before you  
That's what I said now  
Princes, Princes who adore you  
Just go ahead now

One has diamonds in his pockets

And that's some bread now  
This one, he wants to buy you rockets  
Ain't in his head now

Marry him or marry me  
I'm the one that love you, baby can't you see?  
I ain't got no future or a family tree  
But I know what a prince and lover ought to be  
I know what a prince and lover ought to be

Said, if you want to call me baby  
Just go ahead now  
And if you'd like to tell me maybe  
Just go ahead now

And if you wanna buy me flowers  
Just go ahead now  
And if you'd like to talk for hours  
Just go ahead now

And if you want to call me baby  
Just go ahead now  
And if you'd like to tell me maybe  
Just go ahead now

And if you'd like buy me flowers  
Just go ahead now  
And if you'd like to talk for hours  
Just go ahead now

And if you want to call me baby  
Just go ahead now  
And if you'd like to tell me maybe  
Just go ahead now

And if you want to buy me flowers  
Just go ahead now  
And if you'd like to talk for hours  
Just go ahead now

Ohh baby  
Just go ahead now  
Ooh, just, just go ahead now  
Ooh your Majesty

Just go ahead now  
Come on forget the King and marry me  
Just go ahead now  
Come on, come on, come on

Just go ahead now

Go ahead now  
Yeah, just go ahead now  
And if you want to buy me flowers  
Go ahead now
