Chorus:

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear you fantasize no more  
because you're promises you can't afford  
I'm telling you  
uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear ya fantasize no more  
because you're promises you can't afford

Verse 1:

Now ladies let this be your guide  
if somebody is telling you lies  
promising trips and first class flights  
and you don't ever leave  
just tell him "nigga please"  
where's all the ice and platinum things  
that you talk about in your game  
i guess you sold your point six range  
to buy the house that I never seen

Now you know that it's just a shame  
that you gotta throw lies in your game  
when there's no future  
and fronting all the things that you wish you had  
at least lie on some other thing  
so this way you won't have to explain  
that you're a loser  
and i'll never be the one to play your silly games

Chorus:

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear you fantasize no more  
because you're promises you can't afford  
I'm telling you  
uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear ya fantasize no more  
because you're promises you can't afford

Verse 2:

What happened to your platinum rest  
never even saw the ice out there  
And tell me where's the drop Benz coupe  
with the 3 TVs and the DVD  
You talk about your summer spa  
but it's probably just the Marriott  
with all the lies your game was tight  
but all that frontin' can't get you by

Now you know that it's just a shame  
that you gotta throw lies in your game  
when there's no future  
when you're fronting all the things that you wished you  
had  
at least lie on some other thing  
this way you won't have to explain  
that you're a loser  
and i'll never caught up in your silly games

Chorus:

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear you fantasize no more  
because you're promises you can't afford  
I'm telling you  
uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear ya fantasize no more  
because you're promises you can't afford

oh oh oh oh

Chorus:

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear you fantasize no more  
because you're promises you can't afford  
I'm telling you  
uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear ya fantasize no more  
because you're promises you can't afford

Chorus:

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear you fantasize no more  
because you're promises you can't afford  
I'm telling you

uh oh uh oh oh  
these are all the things I heard before  
I don't need to hear ya fantasize no more  
because you're promises you can't afford
