"Come Wander With Me"

He said

Come wander with me, Love

Come wander with me

Away from this sad world

Come wander with me

He came from the sunset

He came from the sea

He came from my sorrow

And can love only me

Oh where is the wanderer

Who wandered this way

He's passed on his wandering

And will never go away

He sang of a sweet love

Of dreams that would be

But I was sworn to another

And could never be free
