Sunken Soldiers Ball

I can't go home  
I cannot sleep  
I cannot give  
I cannot keep

This heart of stone has left me here  
With only rumors of your left  
I guess to see you leaving was for the best

I dream too much  
And spend my days  
Like a sailor lost at sea  
And you were like a mermaid  
In that Danish fairytale  
I guess the best thing that I could do  
Is to sail

Away from this sunken soldiers ball  
Away, do you remember me at all?

I have no better words than "Thank you and goodbye"  
I wish I didn't have to see our love die

At last I'm home  
My horse will rest  
This tattooed heart  
This trembling chest must be alone  
And carry this sorrow back to bed  
I hope there was no innocent blood she'd

Away from this sunken soldiers ball  
Away, do you remember me at all?  
I have no better words than "Thank you and goodbye"  
I wish I didn't have to see our love die
