I don't think I can take this one more day
And one day, I'll
My tolerance is faded
I am warning on here now
I

I can't take another day of this
I don't feel it
I object to life
Inferior
I can't face another day of this
I don't feel it
I reject this life
Inferior

Feel the world inside my head
I might feel the world inside my head

I can't even relate to you
All these dead-end, one-way lines
I'll try and disconnect this
So that I can hear the sound
I

I can't take another day of this
I don't feel it
I object to life
Inferior
I can't face another day of this
I don't feel it
I reject this life
Inferior

Feel the world inside my head
I might feel the world inside my mind

Let go, Let go, Let go, Let go (x2)

I can't take another day of this
I don't feel it
I object to life

Inferior
I can't face another day of this
I can't feel it
I reject this life
Inferior

See you at work on Monday (I don't feel it, I reject this
life, Inferior)
See you at work on Monday (Inferior)
See you at work on Monday
See you at work on Monday
