We all love to hate
It's so easy to create
Just hold your anger and all you despise
These are the things that will keep you alive

Now it's time
Show us who you...
Hate

We all hate to love
We know what I'm speaking of
Who was the person who did this to you?
If they were here now what would you do?

Now it's time
Show us who you...
Hate

Hate lives
Hate rules
Hate spreads
Hate fuels
Hate gives
Hate knows
Hate makes
Hate grow
