Lets do it Lets do it Lest do it Lets do it!

Life seems to be such a formality When your always in reality Why won't the morality ever go away? Nothing seems to be quite new I need something else to push me through Does anybody out there have a clue? Or should I just keep screaming at you?

Just let it go you can't create while you hold on to it! Just let it know theirs nothing else to do but go far from it!

Riding the credentials of the superior kind You'll never ever know what we might just find Sometimes we lack what we begat in truth Sometimes we lack and we have to give it right back

Lets do it
