I will die  
So will you  
When we go  
I will choose

Now it's time  
To make you pay  
End it all  
In just one day

Hold out your wrists for me  
It is your fantasy  
Bleed out your pains  
From your wounded veins

I was born  
So were you  
Through the womb  
To the tomb

Now it's time  
To make you pay  
End it all  
In just one day

Hold out your wrists for me  
It is your fantasy  
Bleed out your pains  
From your wounded veins

No one gets past me today  
There is no other way  
No one gets past me today  
Make a line to be saved  
Now maybe you'll see  
Connection to death is me  
Now maybe you'll see  
Connection to death is me

Hold out your wrists for me  
It is your fantasy  
Bleed out your pains

From your wounded veins
