"Code Of Honor"

Do you remember all the innocent once were sacred,
Do you remember the time we once all were heaven
sent,

These darkened clouds have lead us here,
Oh how I wish that I could die,
You faggot you ruined the code of honor,

You ruined the code of honor and now we have to live
amongst the dead,
You ruined the code of honor no turning back,

Do you remember, all the beauty we once created,
Do you remember the time our love seemed to have no
end,

Remove me from this deception, Mankind called
emotion,
I have chosen my heaven while you create your own
hell,
Your city of liberty out of decay is just a dream

You ruined the code of honor and now we have to live
amongst the dead,
You ruined the code of honor no turning back,

(Solo)

I wish
I wish I should die now

(Another solo)

I wish
I wish I should die now

Oh how I wish I could die now, Just to live among the
dead, en't said
You havn't sin but now, spread damnation you ruin the
code, You ruin the
Code of honor

You ruined the code of honor and now we have to live
amongst the dead,
You ruined the code of honor no turning back(NO
TURNING BACK)
