Grow higher my tower till in heaven we fall  
Where saints will be devoured  
When ghosts and harlots brawl  
Whore of Babylon oh how I hate being mean  
Falling skywards to a paradise invaded by

My blood in your veins,  
My wicked love to reign  
Supreme from heaven above  
Rise up to the sky,  
My tower rise  
My tower rise

In every language call my name  
It is my filthy will  
To entertain you with  
Babylon the great  
I entertain you with

My blood in your veins,  
My wicked love to reign  
Supreme from heaven above  
Rise up to the sky,  
My tower rise  
My tower rise

Grow higher and higher  
No one touches the ground again  
We set the world on fire  
Preparing a heavenly deathbed  
May the sky be the limit  
While your beauty will die  
I am the beast of mankind  
And I kiss it goodbye with

My blood in your veins,  
My wicked love to reign  
Supreme from heaven above  
Rise up to the sky,  
My tower rise  
My tower rise

Grow higher my tower  
Till in heaven we fall  
Where the saints will be devoured  
The world will hear my followers call...
