The new prophets have arrived.
The new prophets have arrived.
Let this be the battle cry for all these unlawful crowned
heads.
They masquerade themselves as the bringers of
freedom.
But shall we sell our souls
to an institution in which freedom doesn't exist.

Then we will become truly
victims of an ideology
that keeps its fellows small-minded.
They poison the innocence of our hearts
by killing all of our dreams.

Let's stop carrying the crosses
which they impose on us
and which are the pillars of their heretical belief.
This artificial building will collapse and they will be
buried.
The death of their thoughts
is the birth of an overwhelming beauty
that leads us through the darkest days.
And soon our lungs will breathe in the total freedom
again.

"sarva-dharman parityajya mam ekam saranam vrajo".
The new prophets have arrived
they will enter the throne.
They are godlike
now fall to their knees.
and they will choose your fate.
The new prophets have arrived!

The new prophets have arrived.
The new prophets have arrived.
