Killing The Time With Haemoglobin

So sad of being here  
So glad of being free  
Not dazzled of your temptations

So sad of being here  
So glad of being free  
Not dazzled of your temptations

The aim to live truly free  
is the first step forward  
In not giving in your pathetic life  
Carve your self-made cool guy mask  
and wear it whenever you can

You are so overwhelming  
You are my hero  
You are so overwhelming  
You are my hero

You can change your style again  
and again it doesn't matter  
Never ever asking why  
Never ever live a lie  
Just to be seen in your scene

Every conversation you take  
and every smile you smile  
i'm so tired but  
(you will do it to it's bitter end it doesn't matter)hmmm  
oh no it's just the everyman's behaviour

Every conversation you take  
and every smile you smile  
i'm so tired but

You are so overwhelming  
You are my hero  
You are so overwhelming  
You are my hero

But oh my dear and beautiful god i recognise  
that i'm guilty of this too  
But oh my dear and beautiful god i recognise  
that i'm guilty of this too

To bring me a relief is my belief  
So i will take the consequence  
and metamorph into a demon

Shall i kill the time  
i never want to but i will kill  
and i will drink my victims' blood  
i never want to but i will kill  
and i will drink blood

And i will squeeze it out of their bodies  
The vampire takes control  
Haemoglobin is the drug and i will kill  
The vampire takes control  
Haemoglobin is the drug and i will kill
