Yea Sleepy Brown  
What's here  
What's here  
Check it out (unh)

If I were you and you were me  
Would you like what you see (ha, yea)  
And tell me why you spread them lies  
About my sexuality lil' old me  
Just because you in my face  
Doesn't mean you have to erase  
What's inside of me oh can't you see  
I don't pay it no mind  
I'm just puttin' in my time  
Until he sets me free (sets me free)  
And then you'll see (you think you'll see)

Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes

And now it seems from everything  
Someone has put a hold on me (umph, damn)  
But I just try to keep my pride  
Even though sometimes I cry (oh I cry)  
But it seems you do me wrong  
You never miss your well until your water is gone (it's  
all gone)  
But I don't pay it no mind  
I'm just puttin' in my time  
Until he sets me free and then you'll see

Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes

Yeah, Sleepy Brown, Society of Soul  
Kickin' it with TLC  
On that funk  
That real

Y'all don't know nothin' about that  
Y'all don't know nothin' about that (yeah, umph)

Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes
