Don't sit there so forlorn  
The bitter taste will subside  
Regret is the poison for the assertive one

Who ascends above  
The trivial embellishments  
And makes the most  
Of the loss

Now is the time  
Make it count  
Run as far as you can

Let courage  
Be your strength  
And none will break you

I'm stuck here again, screaming for the flames  
The silence only makes me wonder  
If the fate of all  
Were in your hands  
I'd see your body burn

No, this isn't my time  
I will watch  
The flames  
Consume the  
Night

The flames consume the night

Now is the time  
Make it count  
Run as far as you can

Let courage  
Be your strength  
And none will break you

I'm stuck here again, screaming for the flames  
The silence only makes me wonder

If the fate of all  
Were in your hands  
I'd see your body burn

No, this isn't my time  
I will watch  
The flames  
Consume the  
Night

The flames consume the night

While you're buried in flames

While you're buried...
