Redemption never felt so good  
As it does right now  
But just one time I wish I could  
Be my own self

You put us into  
This silence  
Where I can hear your voice say  
"You are wrong"

But I want you to see  
The sacrifices  
That I've made for this  
And I want you to know  
That this is so hard for me  
To leave the ones I love

Temptation never was so hard  
Until I gave in  
To all the possibilities  
I've worked so hard for

You put us into  
This silence  
Where I can hear your voice say  
"You were wrong"

But I want you to see  
The sacrifices  
That I've made for this  
And I want you to know  
That this is so hard for me  
To leave the ones I love

To leave the ones I love

But I want you to see  
The sacrifices  
That I've made for this  
And I want you to know  
That this is so hard for me

To leave the ones I love

To leave the ones I love

To leave the ones I love

And I want you to see  
The sacrifices  
That I've made for this  
And I want you to know  
That this is so hard for me  
To leave the ones I love
