UNDONE

Well here they come  
All walking at pace  
A little bit hostile  
And a little bit grey  
With satin walls behind  
I won't recognise you  
Always despise you but i'll hold your hand  
So i said don't try to thrill me  
I said don't try to feel me  
I had time to be restless  
I had time on the ceiling and at  
Half after midnight i'm undone  
I'm a little undone, i'm undone  
I'm a little undone  
If being low required i want your headdress  
Want your mistress but i won't be kind  
And autumn came again by the sideshow  
All the kids know it's a fucking dive  
So i said don't try to thrill me  
I said don't try to feel me  
I had time to be restless  
I had time on the ceiling and at  
Half after midnight i'm undone  
I'm a little undone, i'm undone  
I'm a little undone  
Call the partisan  
Put all the horses down  
With a line of angels  
Shouted down  
With a line of angels  
And you might find that all these certain trials are done  
All these vials are drunk but you're still fine  
And you arrived again so full fo courage and grace  
All these memory days will still be mine  
Don't try to thrill me  
I said don't try to feel me  
I had time to be restless  
I had time on the ceiling and at  
Half after migninght, i'm undone  
I'm a little undone, i'm undone  
I'm a little undone
