[CHORUS]

You can build me up Just to break me down  
Try to damage my heart but, I'm never gonna  
Play the fool, no  
Do ya get the message

Before I start giving in to the original sin  
You better be true for my love to come down  
To you now  
Do ya get the message

There was a time when your love was so true  
All my love was given to you  
Now I see the course that you're taking  
And I won't be your fool  
I need to know what's on your mind  
Satisfaction's easy to find  
But I won't be Living dangerously

Time are changing  
And there's one complication  
Giving in to sweet temptation  
Gotta understand to be down with my heart  
You've got to give your love

[Repeat CHORUS]

You can build me up Just to break me down  
Try to damage my heart but, I'm never gonna  
Play the fool, no  
Do ya get the message

Before I start giving in to the original sin  
You better be true for my love to come down  
To you now  
Do ya get the message

Slow down you're movin' too fast  
Good things are meant to last  
Open your mind to what we could be  
And it will set you free.

I don't know the games that you're playin'  
Just know you think that you're stayin'  
And if you think that I'm that type  
Well here's a little insight

Don't you know there's just one complication  
Giving in to sweet temptation  
Ohh, you gotta understand to be down  
With my heart  
You've got to give your love  
Got to give, got to give your love...

[Repeat CHORUS]

You can build me up Just to break me down  
Try to damage my heart but, I'm never gonna  
Play the fool, no  
Do ya get the message

Before I start giving in to the original sin  
You better be true for my love to come down  
To you now  
Do ya get the message

Just give your heart  
And don't be cruel to me  
Let's make a start  
A new reality  
And never part  
I want you close to me Always  
Always.

(Rap)  
Boy meets girl and they kiss in the dark  
Boy tries to make his mark  
Girl fantasizes of a dream  
Of living in the lap of luxury  
Before long reality strikes at the end  
Like a drug that wears out at the end  
Of the night  
And all she can think when he gets her home  
Is where's he gonna be when she's alone

[Repeat CHORUS 2x]

Na na na na na oh yeah  
Na na na na na oh yeah

Better stop foolin' with my love

Do you get the message

Oh yeah

Ain't gonna be your fool no more

Ain't gonna be your fool...
