Maybe I am really insane
Maybe I was chosing my truth
What if I was disorientated and

Delusional

Maybe you are really sad
Or maybe you were really scared
What if you were lost on the way and

Delusional

Maybe we were both so wrong
Misjudging and mistaking
Confused and fantasizing and

Delusional

But it's important not to blame each other
To remember the good times we shared
Maybe then we can stop being

Delusional
