I shiver by your words  
Is this the way you tell  
Don't you think we can work it out  
Don't you think we could get it well

I might have done things wrong  
But I can't set them right  
I'm not more than human  
And baby I don't want to fight  
Cause

Nothing I did  
I could've done differently  
Nothing I craved  
Could I've forsaken  
Not a tear was untrue when I was  
Left by you  
Left by you

I just want you to remember  
If you choose to go  
That everything I did  
I did because I loved you  
But  
Nothing I did  
I could've done differently  
Nothing I craved  
Could I've forsaken  
Not a tear was untrue when I was  
Left by you  
Left by you

Do you know you're not  
Making a mistake  
Cause I think we could be great  
And if this is not a mistake  
Do you realize  
How much's at stake  
Cause

Nothing I did  
I could've done differently

Nothing I craved  
Could I've forsaken  
Not a tear was untrue when I was  
Left by you  
Left by you

I shiver by your touch  
Please don't go just yet  
There's something too important  
Too important to forget
