Maybe when the rain stop falling
Maybe when the clouds are gone
Maybe when the bombs stop falling
Maybe then will be then

When people shake off their umbrellas
And smile towards the rising sun
When every touch is gentle
Maybe then will be then

Will be the day when I stop writing
Silly lovesongs about you

Maybe when the trains stop running
And people throw away their clocks
Maybe when your paycheck's coming
Maybe then will be then

Maybe if you will get married
Maybe if I do

But I doubt that anything can stop me writing
Silly lovesongs about you

Maybe when you say you love me
But I don't think that'll ever be
Maybe when I'm being buried
Maybe then will be then

Will be the day that I stop writing
Silly lovesongs about you
