"Not Far From The Water"

He's living in the wooden house
Behind the old playground
Where fairys fly
Not far from the water

Two rowingboats wich fits but one
And will not sail
A medow and a place to sit and think
Not far from the water

A secret place to hide away
If someone tries
To make him a part of the world outside
So far from the water

Trying to remember
His childhood dreams
An astronaut a fireman
You'll find him there
Not far from the water
