Been spending my time
Counting the stars
Watching days passing by
Oh how time flies
And without a sign
The day has arrived
When it's time
To pack up my things
And find something new

And here I stand
Like a child
Naked in front of the world
Please take me in
Take me to heart

Been wasting my time
Watching the world passing by
And all that was silent was I

And here I stand
Like a child
Naked in front of the world
Please take me in
Take me to heart
Let me know where to begin
When everyone's lost
Please be my guide
Say everything will work out fine
Rock me to sleep
In those strong arms tonight
