Ix the foam upon the river
Stop the falling leaves in the air
Freeze the rabbit in it's shiver
She's leaving

Let the windmills rest their battle
Hold your breath and stop your heart
Quiet rattlesnakes that rattle
She's leaving

Stay the shadow in it's changing
Make the sun discontinue it's course
Cut the tune of swallows singing
She's leaving

Kill the movement in it's motion
Let the candlelights die down
Try to smile without emotion
She's leaving

She's leaving us tonight
