Sometimes when I see you
I don't know your name
I don't know if you are
My enemy or friend

Got so used to running
I don't know when to stop
When I reach the bottom
Or the top

Ref: Do you care to dance
Take my hand
Hold me tight
Through the stormy night
Do you care to dance
With a barefoot girl tonight

It really doesn't matter
If all you say is true
Cause everyone's been lying
So why shouldn't you

Ref: Do you care to dance
Take my hand
Hold me tight
Through the stormy night
Do you care to dance
With a barefoot girl tonight

Let this be our last goodbye
Keep me safe here by your side
And I'll be yours tonight

As sure as I am breathing
One day I will stop
When I reach the bottom
Or the top
Do you care to dance
Take my hand
Hold me tight
Til' the morning light
Do you care to dance

With a barefoot girl tonight
