What happened on the bridge today  
Were those the words you planned to say  
Was that some kind of statement that you had to make  
Do you believe in fairytales  
Cause I think I just saw one slip away today  
Well I'm not sure and anyway...

... there's too much water underneath this bridge  
And it keeps changing  
And you couldn't fill my shoes if you implied it

So sail away to Libanon  
Fly off to Peru  
What do I care  
Still you are not here in my arms  
Are you  
You might as well be dead  
What do I care  
Cause still you're not here in my arms  
And baby where else should you be then

Well I believe in fairytales  
I guess that's what I came to say today  
Before you took it all away  
There's too much water underneath this bridge  
Enough to drown in  
So why don't you take a leap  
And get it overwith

So sail away to Libanon  
Fly off to Peru  
What do I care  
Still you are not here in my arms  
Are you  
You might as well be dead  
What do I care  
Cause still you're not here in my arms  
And baby where else should you be then

What happened on the bridge today  
Were those the words you planned to say  
Or could you said it in some other way
