frustrated  
can't make me unjaded  
messed up  
don't plan to give it up  
just do  
you're doing awful  
losing  
all my strong  
but cheering me up is not useful

YOU!  
what's the big fright?  
WHAT!  
don't you rock me tonite  
DON'T!  
be scared of me  
let it all the way it's suppose to be  
from left to right  
HEY!  
What?  
Don't you rock me tonite

weak  
is all i think about  
leak  
leaking is what i do  
so  
mischance the history  
you  
don't be carried off  
by me cos can't you see  
you chance me  
i'm not so fine  
with that forget what you've seen  
can't you see what i mean

YOU!  
what's the big fright?  
WHAT!  
don't you rock me tonite  
DON'T!  
be scared of me

let it all the way it's suppose to be  
from left to right  
HEY!  
What?  
Don't you rock me tonite  
YOU!  
what's the big fright?  
WHAT!  
don't you rock me tonite  
DON'T!  
be scared of me  
let it all the way it's suppose to be  
from left to right  
HEY!  
What?  
Don't you rock me tonite

don't let it all come through me  
do the way i want it to be  
leave me alone  
the party is out and canceled

(guitar break)

YOU!  
what's the big fright?  
WHAT!  
don't you rock me tonite  
DON'T!  
be scared of me  
let it all the way it's suppose to be  
from left to right  
HEY!  
What?  
Don't you rock me tonite  
YOU!  
what's the big fright?  
WHAT!  
don't you rock me tonite  
DON'T!  
be scared of me  
let it all the way it's suppose to be  
from left to right  
HEY!  
What?  
Don't you rock me tonite
