Step up (step up)
let's talk this over now
what if you start even you don't know how
slipped down
you can't change me to who you want
your wishes aren't gonna grant
you tried to turn me to someone else
but i love myself
lalalalalalala lalalalalalala

if you're tryin to turn me to someone else
i'm not your fool
but if you're tryin to pretend to use my sense
use you own sense
I am not your fool
lalalalalalala lalalalalalala
Yeaah...

Step back (step back)
why don't you finish all this mess
if you wanna leave be my guest
but you can't still turn me to
your fool
i drew the picture up your face
you tried to kiss me to make everythin better
but it gets worser
lalalalalalala lalalalalalala
Yeeaah...

If you're tryin to turn me to someone else
im not your fool
but if you're tryin to pretend to use my sense
use your own sense
i am not your fool
lalalalalalala
yea yea yea yea yea yea yeaah

step up
down low
get back
you can't turn me to someone else
step back

why can't you like myself

if you're tryin to turn me to someone else
im not your fool
but if you're tryin to pretend to use my sense
use your own sense
i am not your fool
lalalalalalala lalalalalalala
yeaah
