don't you people understand  
stop making me do all this commands  
don't you people you know that you treat me wrong  
and know that this is where i don't belong  
why does it have to be likes this  
when my soul has been dismissed  
why can't i bring it for you together  
it's so misty like a feather

otherwise it will vanish  
while it all comes for me  
can't refuse even it's stamish  
while they treat me badly  
i don't know what to say  
i'm not going to let go my courage anyway  
hey  
otherwise it will go away

don't you people rejected me more than once  
while i drank the poison from my pants  
don't ask me a lot  
can't barely forgot how it turned stern  
don't laugh  
don't make fun  
i'm about to burn

otherwise it will vanish  
while it all comes for me  
can't refuse even it's stamish  
while they treat me badly  
i don't know what to say  
i'm not going to let go my courage anyway  
hey  
otherwise it will go away  
otherwise it will vanish  
while it all comes for me  
can't refuse even it's stamish  
while they treat me badly  
i don't know what to say  
i'm not going to let go my courage anyway  
hey  
otherwise it will go away

otherwise it will go away  
my courage please stay  
i can't deal with them anyway  
just waitin for another day  
don't let go please stay  
i'm not gonna treat you the wrong way

(guitar solo)

otherwise it will vanish

while they treat me badly  
i don't know what to say  
i'm not going to let go my courage anyway  
hey

otherwise it will go away  
otherwise it will vanish  
while it all comes for me  
can't refuse even it's stamish  
while they treat me badly  
i don't know what to say  
i'm not going to let go my courage anyway

otherwise it will go away  
my courage please stay  
i'm not treating you the wrong way  
just waiting for another day
