I was stuck inside all alone in the cold
I was sent away
got my life dissapearing just all over again
I had my fears away
but i kept on trying to have my courage any way
you tried to miss me but
i thought of something before i go

its only me and my shadow
crazy as it seems
trying to find a person to hold
and wake me from my dreams
living down my nightmares
harder but it bleeds
trying to find a person to hold
and led me far away

i was five years old
when my family left me here
i was hungry and cold
trying to dissapear
when everybody makes mistakes
no chances to break
they find me all bursting out for love
but before i go away
i would just sway

its only me and my shadow
crazy as it seems
trying to find a person to hold
and wake me from my dreams
living down my nightmares
harder but it bleeds
trying to find a person to hold
and led me far away

so don't you bring me down today
led me far away
don't bring me down to say

its only me and my shadow
crazy as it seems

trying to find a person to hold
and wake me from my dreams
living down my nightmares
harder but it bleeds
trying to find a person to hold
and led me far away
led me further away
its only me and my shadow
crazy as it seems
trying to find a person to hold
and wake me from my dreams
living down my nightmares
harder but it bleeds
trying to find a person to hold
and led me far away
so led me far away
