you used to spread your wings all over me  
you used to call me names watching the sleet  
you used to find all the ways  
how i've been trying to make a new start  
i call down your number before this time  
stop making fun of me  
treating like i'm no crime  
don't find another way to make miserable decisions  
and some lies  
but it's not something else before i go crazy

Hey!  
don't stay  
leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away

you used to courage my sorrow  
you rent out the day after tomorrow  
you sold out my secret  
not a freaking thing i gotta forget  
i called your pager but left me with no response  
stop making fun of me i saw you with my own eyes  
forget the day after before i realized

Hey!  
don't stay  
leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away  
Hey!  
don't stay

leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away

my stupid potrait messed me up and done no wrong  
while all my thoughts have been gone away  
you called me yesterday  
didn't pick it up there's nothing to say  
shut up miss  
don't give kiss  
don't be pissed

(guitar solo)

Hey!  
don't stay  
leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away  
Hey!  
don't stay  
leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away  
Hey!  
don't stay  
leave me alone  
my pain's not gone  
Say!  
why are you treating me this way  
you're no longer in my day  
this is my way now  
but i was slipped away  
i was slipped away

[spoken]

There's nothing else to say  
why are you treating me this way  
well i'm going  
i'm hanging up
