Feeling the past moving in  
Letting a new day begin  
Hold to the time that you know  
You don't have to move on to let go

Add to the memory you keep  
Remember when you fall asleep  
Hold to the love that you know  
You don't have to give up to let go

Remember turning on the night  
And moving through the morning light  
Remember how it was with you  
Remember how you pulled me through

I remember, I remember  
I remember, I remember  
I remember, I remember  
I remember, I remember

Feeling the past moving in  
Letting a new day begin  
Hold to the time that you know  
You don't have to move on to let go

Add to the memory you keep  
Remember when you fall asleep  
Hold to the love that you know  
You don't have to give up to let go

Remember how it was with you  
Remember how it was with you

I remember

Feeling the past moving in  
Letting a new day begin  
Hold to the time that you know  
You don't have to move on to let go

Add to the memory you keep  
Remember when you fall asleep

Hold to the love that you know  
You don't have to give up to let go

Remember turning on the night  
And moving through the morning light  
Remember how it was with you  
Remember how you pulled me through

I remember, I remember  
I remember, I remember  
I remember, I remember  
I remember, I remember
