It's been so long, I've been out of my body with you
I feel alone, feel at home, feel like nothing is true
You take me to a place where my senses gave way,
Turn it round, shut it down, what the people say
Climbing up, coming down, gonna make the call,
Take my hand and leave it all

Mend these hearts torn apart, when they turn black and
blue
Cause everybody knows I've been waiting for you

Oh I wanna fall in love
Oh I wanna fall in love
Oh I wanna fall in love
Oh I wanna fall in love
With you...
