you're as skittish as me and I can see  
the mirror image of fear in your eyes  
as skittish as me and I can see  
you're shy and scared and weird, you're so fucked up  
you're perfect for me, can't you see  
it couldn't be, that's why you appeal so much to me  
you're as skittish as me, can't you see  
if you show me you like me, it'll give me the creeps  
as skittish as me, can't you see  
I'm shy and scared and weird, I'm so fucked up  
the only way it could be, can't you see  
it couldn't be, that's why you appeal so much to me  
things seem so much better now that we're just friends  
although this feeling for you never seems to end  
you're as skittish as me and I'd be pleased  
if you'd admit you need some therapy  
as skittish as me, can't you see  
we're shy and scared and weird, we're so fucked up  
you're perfect for me, can't you see  
it couldn't be, that's why you appeal so much to me  
that's why you appeal so much to me
