I was seated by myself  
And you came  
You asked me to take your hand again  
You told me if I'm nice  
We would be together  
So I'm doing my best  
But we're not  
You told me if I'm nice  
We would be together  
And you would be nice too  
And you would be nice too  
And you would be nice too

But don't you touch me  
Cause it means so much to me

I stayed pure as a dove for you my love  
But you are a werewolf  
Aren't you my love  
And I soon realize that it's not a game  
To find the soulmate of your life  
I soon realize that it's not worth the gamble  
Cause I always lose  
Cause I always lose  
Cause I always lose

But don't you touch me  
Cause it means so much to me

Let's not pretend  
To be just friends  
And don't hold my hand again  
Don't break my heart again

Is there  
A place  
Where I can rest  
Without you in my head  
Without you in my head  
Without you in my head
